- Spring 2022 through spring 2023

# WORKING GROUP DISCUSSION

*Is this the right role for these groups to play?*

*What resources do we need to make these groups successful? What will keep people engaged in these groups?*

*Do the subjects of the groups, and timing of launching these groups throughout the spring, make sense?*

# GAULT SCHOOL UPDATE

# WALKABILITY + TRAFFIC CALMING

# WALKABILITY DISCUSSION

**April Community Walk Event** – What locations should we feature? Are there specific walkability or traffic calming topics or locations you want to talk about with your neighbors?

**Biking and walking** – What are some barriers to you walking and/or biking more, and where would you walk and/or bike, if there was a safe route? How can these routes better connect to the business district?

**Business district walkability** – Imagine what you might see around you as you were walking through an accessible, walkable business district. Which details of your vision already exist in the McKinley business district? Which details would you like to see added to the McKinley business district?
