Frequently Asked Questions

Will I need to pay for the bike up-front and get reimbursed?

No - these are instant rebates. If you receive one - the amount of your rebate (\$300 or \$1,200) will be taken off the total purchase price when you buy a new e-bike that meets program requirements at an approved bike shop.

I'm new to riding bikes - should I apply?

If you're interested in riding an e-bike, absolutely! The City of Tacoma will be offering free events and classes to help support new riders.

Am I guaranteed an e-bike if I apply?

No - the number of rebates are limited and not everyone who applies will get one.

Can multiple people in my household apply?

Yes - a maximum of one rebate per household will be awarded, but multiple people in your household can apply.
