- 1. Question: I was reading over the requirements for the bid for the Yard Tractor and could not locate if you needed a DOT or Non-DOT yard tractor. A DOT Yard Tractor would be able to drive around on the normal roads while the non-DOT would be for yard use only. Can you please advise me which one you are looking for in this bid.**  
Answer: Non-DOT. We will not be driving on the streets. They are for facility use only.
