Tacoma Water

ADDENDUM NO. 1

DATE: June 28, 2024

REVISIONS TO:

**Request for Bids Specification No. TW23-0242F
99TH & Aqueduct PRV Station Replacement**

NOTICE TO ALL Proposers:

This addendum is issued to clarify, revise, add to or delete from, the original specification documents for the above project. This addendum, as integrated with the original specification documents, shall form the specification documents. The noted revisions shall take precedence over previously issued specification documents and shall become part of this contract.

REVISIONS TO THE SUBMITTAL DEADLINE:

The submittal deadline remains the same.

REVISIONS TO THE SPECIAL PROVISIONS:

Revise Section 1 Minimum Requirements - Only bids from contractors with satisfactory experience and a successful performance record will be considered in awarding the contract. The successful Contractor shall have completed a minimum of one (1) project of similar size and scope within the last five (5) years in the construction, disinfection and pressure testing of 8-inch and larger pressure reducing valve stations for potable water distribution systems. Bidders must complete the Statement of Qualifications Form located in Appendix B included in this Specification and submit it with their bid proposal. Statements of Qualifications not demonstrating adequate experience may be deemed non-responsible. The City shall be the sole judge of the bidder's ability to meet the requirements.

REVISIONS TO THE SUBMITTAL PACKAGE:

Delete the existing Statement of Qualifications Form and replace it with the attached, Statement of Qualifications Form marked as Addendum No. 1

QUESTIONS AND ANSWERS

Question 1: Will Tacoma Water load vault components onto our truck or should we be prepared to bring equipment to do that?

Answer 1: Tacoma Water has pre-purchased the vault, 12" Cla-Val, and (2) 12-inch FLxPE ductile iron spool pieces for this project. The contractor will provide all necessary equipment to load and transport these items.

Question 2: Are EIC requirements conditional or voluntary?

Answer 2: The EIC percentages are mandatory and must be met to be a responsible bidder.

City of Tacoma

NOTE: Acknowledge receipt of this addendum by initialing the corresponding space as indicated on the signature page. Vendors who have already submitted their bid/proposal may contact the Purchasing Division at 253-502-8468 and request return of their bid/proposal for acknowledgment and re-submittal. Or, a letter acknowledging receipt of this addendum may be submitted in an envelope marked Request for Bids Specification No. TW23-0242F Addendum No. 1. The City reserves the right to reject any and all bids, including, in certain circumstances, for failure to appropriately acknowledge this addendum.

cc: Corey Nelson, Tacoma Water

**STATEMENT OF QUALIFICATIONS
FOR CONTRACTORS**

This form shall be completed in its entirety and submitted with the bid. **Failure to submit and meet the requirements as stated in Section 1 of the Special Provisions may be grounds for rejection of the bid.**

The City of Tacoma will be the sole judge in determining if the prospective contractor meets the minimum experience requirements.

The successful Contractor shall have completed a minimum of one (1) project of similar size and scope within the last five (5) years in the construction, disinfection and pressure testing of 8-inch and larger pressure reducing valve stations for potable water distribution systems.
