

Equity in Contracting Advisory Committee Member

CHRIS BROWN

Founder of: CB Holdings, Chaleur Creative, Token Gay Guy Consulting, and The Queer Stability Foundation.

Chris is an entrepreneur and consultant with extensive experience in contracting, procurement, and business development. He specializes in guiding organizations through complex contracting processes, certifications, and compliance requirements, while advancing sustainable growth strategies for small and diverse businesses.

Alongside this work, Christopher is a committed advocate for LGBTQ+ equity nationwide, fostering inclusive opportunities and building community centric initiatives that expand access and representation. His focus is on creating systems that promote fairness, innovation, and long-term community impact.
