

Equity in Contracting Advisory Committee Member

KHADI BERETE

Khadi Berete is a passionate advocate for inclusive economic development and equitable contracting opportunities focused on empowering small businesses and historically underrepresented communities.

With deep roots in Tacoma and experience in business and community development, she brings valuable insights to the Equity in Contracting Advisory Committee.

Khadi understands the challenges minority-owned businesses face and is committed to dismantling barriers within public procurement.

She believes every business deserves an equal opportunity for success.

Driven by this belief, she aims to promote transparency and foster inclusive economic growth, ensuring that opportunities are accessible across Tacoma's diverse business landscape.
