## Questions and Answers

### WASTEWATER – AN2201 TITLOW PUMP STATION IMPROVEMENTS – ENGINEERING SERVICES

RFQ Specification No. **ES25-0222F**

All interested parties had the opportunity to submit questions in writing by email to Stan Rowden, Senior Buyer by October 3, 2025. The answers to the questions received are provided below and posted to the City's website at [www.TacomaPurchasing.org](http://www.TacomaPurchasing.org). Navigate to [Current Contracting Opportunities / Services Solicitations](#), and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

#### 1. Question:

Section 8.6 Sustainability references the respondent's guide. The guide indicates that in answering question A that the full text of the policy is to be provided. Does the text of the policy count towards the 10-sheet limit of the submittal, or is it considered a required form and excluded?

Answer: See Addendum 01

#### 2. Question:

Section 17 requires compliance with 2 CFR part 25. Is there federal funding with this project and will the awardee be required to be registered?

Answer: There is no federal funding associated with this project, however awardee compliance with 2 CFR part 25 will still be required as stated in Section 17.

#### 3. Question:

Regarding the 20-page limit (10 pages double-sided), will the front/back cover and dividers count towards the page limit, or are they excluded?

Answer: See Addendum 01
