

City of Tacoma

## **Solid Waste Management**

**ADDENDUM NO. 2**

**DATE:** April 22, 2026

**REVISIONS TO:**

**Request for Bids Specification No. ES25-0269F  
CNG Fueling Equipment Maintenance and Repair**

**NOTICE TO ALL BIDDERS:**

This addendum is issued to clarify, revise, add to or delete from, the original specification documents for the above project. This addendum, as integrated with the original specification documents, shall form the specification documents. The noted revisions shall take precedence over previously issued specification documents and shall become part of this contract.

**REVISIONS TO THE SUBMITTAL DEADLINE:**

The submittal deadline remains the same.

**REVISIONS TO THE PROPOSAL PAGES:**

The price proposal page has been updated and replaced in its entirety with the one marked as Addendum 2.

**NOTE:** Acknowledge receipt of this addendum by initialing the corresponding space as indicated on the signature page. Vendors who have already submitted their bid/proposal may contact the Purchasing Division at 253-502-8468 and request return of their bid/proposal for acknowledgment and re-submittal. Or, a letter acknowledging receipt of this addendum may be submitted by email marked request for Bids Specification No. ES25-0269F Addendum No. 2. The City reserves the right to reject any and all bids, including, in certain circumstances, for failure to appropriately acknowledge this addendum.

cc: Dawn DeJarlais, Solid Waste Management

## ADDENDUM 2

**Price Proposal Page**

**City of Tacoma Specification No. ES25-0269F-CNG Fueling Equipment Maintenance and Repair**

We, the undersigned, hereby agree to furnish the following F.O.B. City of Tacoma Solid Waste Management Transfer and Recovery Center, 3510 South Mullen Street, Tacoma, WA 98409, freight paid and allowed.

Quote Date:

Bidders are required to insert information into the bright green filled cells. (as applicable)

Bidders must check all quantities and calculations to ensure that all pricing is accurate and complete.

Average Diesel  
Fill per Truck per Day                      30

The City reserves the right to use either lump sum or per item pricing in the event of a discrepancy.

**Maintenance Pricing-General**

Note that Operations, Maintenance and Repair Contract prices are inclusive of all materials, labor, training, freight, taxes, bonding, insurance, administration, management, yearly price escalation and all other costs that might be applicable to fully implement the specified scope. Scope shall include all service required or recommended by equipment and component manufacturers and by current industry best practice as well as all other scope items as outlined in this bid specification.

**Year 1 to 5 CNG Fueling Equipment Maintenance and Repair**

To be selected by the City of Tacoma by date of contract acceptance

Year	Number of Trucks	Projected Annual Volume in Therm	Baseline Annual cost in dollars: (see Note 1)	Per Therm Throughput Cost adjustment factor in dollars (see Note 1)	Out of Scope Work	
					Hourly rate fully loaded and including tools and truck.	Markup on parts.
1	72	547,462				
2	73	555,000				
Option Year 3	73	555,000				
Option Year 4	73	555,000				
Option Year 5	73	555,000				

**Total Base Bid (5 Years)**      \$                      -

Billing will be based on the Baseline monthly (Baseline Annual cost divided by 12) cost adjusted up or down to account for increased or decreased monthly throughput compared to the projected annual volume divided by 12. The adjustment factor will be multiplied by the Therm of throughput as indicated on the utility invoice. Billing will be made for the previous month upon receipt of the utility invoice.

Notes:    1
