Questions and Answers No. 1

SWM Main Receiving Building Tipping Floor Resurfacing RFB Specification No. ES26-0004F

All interested parties had the opportunity to submit questions in writing by email to Stan Rowden II by February 17, 2026. The answers to the questions received are provided below and posted to the City's website at www.TacomaPurchasing.org. Navigate to [Current Contracting Opportunities](#) / *Public Works and Improvements Solicitations*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

1. Question:

Is traffic control anticipated for this project?

Answer:

The need for traffic control will be minimal since the project is limited to night work when the facility is closed to the public and on-site activity is minimal during those hours.
