Questions and Answers

Class E Hard Hats

RFI Specification No. **PT25-0284F**

All interested parties had the opportunity to submit questions in writing by email to Aaron Bratton, Buyer by date questions were due. The answers to the questions received are provided below and posted to the City's website at www.TacomaPurchasing.org. Navigate to [Current Contracting Opportunities / Supplies Solicitations](#), and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

1. Question: For the 1st item Milwaukee 48-72-1659 Bolt White, I am not seeing that as the proper stock number. Is it 48-73-1651 instead.

Answer: Upon review of the Milwaukee website, the preferred helmet is 48-73-1541. The website still lists these as unavailable but a prototype has been shown to Tacoma Public Utilities staff. Please contact your Milwaukee rep for further advisement on availability.
