Questions and Answers

Links to Opportunity Streetscape – Bid Package 4 RFB Specification No. **PW25-0136F**

All interested parties had the opportunity to submit questions in writing by email to Carly Fowler, Senior Buyer by March 20, 2026. The answers to the questions received are provided below and posted to the City's website at www.TacomaPurchasing.org. Navigate to [Current Contracting Opportunities / Public Works and Improvements Solicitations](#), and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

Question 1: I was reviewing the bid package and specifications for the Links to Opportunity Streetscape - Bid Package 4 Project and noticed that the measurement and payment under section 4-04.5 states the crushed surfacing is to be paid per ton, but the bid package has R35 and R36 by the CY. Can you please clarify as to if the crushed surfacing will be paid by the CY or by the Ton?

Answer 1: Special provision 4-04.5 Payment has been corrected for the measurement to be paid by Cubic Yard (CY). See Addendum 1

Question 2: Is it anticipated that portions of this work can and will be performed during night time hours, if so, will a UPO be required to be present? And if so, will the cost be covered under the bid item for Uniform Police Officer?

Answer 2: Yes, UPO will be required to be present during night work. UPO costs are covered under Bid Item R-9 Uniformed Police Officer for Traffic Control and paid by force account. See section 1-10 Temporary Traffic Control.

Question 3: Is the City to provide the bronze plaque for bid item R-79?

Answer 3: If the bronze plaque artwork is delivered to the City during the contract, the City will negotiate the price for the contractor to install the bronze plaques in the designated locations. For the purposes of the bid, Section **8-44 FUTURE INFORMATIONAL PLAQUE** applies, see detail 3 on plan sheet PV-05.
