Questions and Answers

CTP Biofilter Media Replacement RFB Specification No. **ES25-0252N**

All interested parties had the opportunity to submit questions in writing by email to Stan Rowden by March 24, 2026. The answers to the questions received are provided below and posted to the City's website at www.TacomaPurchasing.org. Navigate to [Current Contracting Opportunities](#) / *Public Works and Improvements Solicitations*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

1. Question:

Suppliers that have supplied and/or installed media at the CWWTP have responded that the media they can provide will not meet the specifications in Section 44 31 33. Was there a supplier that was coordinated with the develop the specification or suppliers that the City can provide that can be sourced by the contractor?

Answer:

Please see Specification Section 44_31_33 2.1.D for acceptable products, as listed in this section GES-Biotek Enhanced Cell-Max Plus is the basis of design.

2. Question:

Can the bid due date be extended a week to allow for sourcing of material?

Answer:

Bid due date will not be extended since this information has been available.
