

City of Tacoma 2025 Annual Report

Q.61a Documentation of maintenance time frame exceedances that were beyond the Permittee's control. (S5.C.10.a.ii)

Facility ID SWFA-103115 Storm Filter at 102 North G Street

Planned to replace Storm Filter in 2025, but ran into unanticipated delays with the catch basin being in Sound Transit Right-of-Way. Unable to get necessary Sound Transit approved permitting and traffic control plan in time. Will clean in early 2026.
